January 2012

Dear Faithful Supporters,

It's our privilege to serve and trust God to do **Great and Mighty Things** this year. To meet the spiritual needs of the Spanish people (or any people) is a true privilege. Praise the Lord for the salvation of young lady named Febita last week. We are pleased to represent your church as we serve in two churches in Southern Spain.

We are purposing this year to develop our relationships with people both in and out of church. In the past two weeks we have had a young courting couple and a family to our house for fellowship and, of course, food. Both the married and the unmarried couple show promise as future church leaders at either the pastor or missionary level. Another young man from the states is showing interest in Spain and is seeking to visit, short term, over the summer.

We continue to travel once a month to observe other works around the country. This past month we were in Cordoba, Spain and were thrilled to see an older Spanish gentleman accept Christ as his savior.

Through our recent travels, the Lord has revealed other plans for us. Initially, the city of Zaragoza was our target. Now God is changing that, and the place of our first work is a mystery. For now we will blossom where we are, while we seek the Lord's direction. This year is bound to be great and mighty.

We thank God for your faithful prayers and support which make our work here possible!

**Prayer Points**

- To become fluent in Spanish quickly.
- Upcoming Missions Conference in Murcia churches - to see Faith Promise increased!
- Salvation for our instructors, Loli and Francisco.
