## MINISTRIES

# September 2021

**Building, Bible School, Baptisms & Barbecue, and Baby!** These have been our focus over the past several months. Thank you for giving and praying. You make it possible for us to focus on the eternity of others and their spiritual wellbeing until they get there.

Praise the Lord we are finished (for the time being) with the bureaucracy and finally able to move forward on the construction of our new church **building!** The layout, cutting and excavating of the foundation for the pillars and walls are nearly complete. It's been a first-time experience and very laborious but as they say here when someone is doing what they enjoy: "I'm in my salsa". The project should now move quickly.

And finally for the **Baby**. We are pleased and excited to be able to announce that our son, AJ, and his wife, Christina are expecting baby Belasco in March 2022!

### PRAYER REQUESTS:

1. Salvation of Pedro & Sebastian
2. More funds to be raised for the building project.
3. The current marriage classes would strengthen the marriages at IBBT.
4. Spiritual growth of those in discipleship classes.

Concrete and Cranes (Gruas y Concreto) was the theme of this year's **Bible School**. It turned out to be a welcomed event that demanded much in

preparation and execution. The people of IBBT are ready to get back to normal and VBS helped us to get there. Praise the Lord for great attendance and two boys, Kevin and Diagho who were saved.

As we slowly return to our "normal" way of doing things, we were able to have our third **Baptisms y BBQ** event.

Esperanza Alemany, 80 years young, and Johan Maturano, 25 years old, both followed the Lord in believer's baptism. Having to use a swimming pool for baptisms, there is always a BBQ that follows with many "burnt offerings". But the meat sacrifices are not the main point. The main point is to introduce new people to the church. Please pray for one that came, his name is Sebastian.
