## December 2021

Hello from Valencia Spain. I'll begin by giving thanks to God for counting us worthy to minister to the fine people in this region of the world. Many exciting things have happened over the past couple months, so much so, there is not enough space in this letter to sufficiently share them all.

There continues to be new names written down in Glory through the ministry here in Torrent. Gloria came to us several months ago and has struggled with many troubling issues in her past. A few weeks ago, the Gospel message penetrated her heart, and the Lord saved her soul.

Another young lady named Rosa was saved after realizing that she could give no biblical reason why God should allow her into His heaven. She will begin discipleship this week

I suppose in every church plant there are always the "firsts", and not all things that happen for the first time are good. In this case however it was good. IBBT enjoyed their very first wedding. Then several weeks later, our second wedding and not stopping any time soon. It's a thrill to see there are at least 3 young couples in our work that are approaching their wedding day.

A new church plant one hour north of Valencia called upon our church to fill the pulpit during the absence of their Pastor. We were happy to help. It has recently become an opening that is needing to be filled long-term. Omar Ossa, a faithful man in our church, years ago was called into the Gospel ministry. He completed his studies but did not move beyond that point. As his Pastor, I took this opportunity to do what was obvious to me and a bit nerve-wracking for him, and that was to set a date for his ordination service. That service which was truly a blessing, has come and gone and Omar is the interim Pastor of that church.
