MINISTRIES

Dear Pastor and Church Members.

It's always exciting to report on what the Lord is doing in and through His church here in Torrente Spain. Our desire is that you would rejoice with us in the riches of God's blessing as we are truly partners in this endeavor. Thank you for faithfully continuing alongside our ministry.

For the past year our youth ministry has been in a strange place. There has been those that have come and gone but those that have remained have transitioned out of youth status into young adults with good jobs and significant others. What we have seen during that time is a wave of new young people attending the church. Two of the transitioned young adult leaders were led of the Lord to restart a youth group with this new wave of youth. They were very organized in their planning and have had a great launch of this new ministry with one being saved in the first meeting.

As it is our custom during the summer months, we schedule each month a Baptism and BBQ event. Many who wouldn't otherwise attend a church service have no problem attending a cookout. We were encouraged to see new faces for the first of these three events. We also were blessed to have 6 follow the Lord in believers' baptism.

We are persisting to keep the church in Villa Real (one hour north of Torrent) moving forward. We have a family that travels each week to minister to this group of believers through preaching a teaching the Word of God. As well, our church will assume the financial responsibility of this work until it becomes self-supporting. Please pray that God would send a permanent pastor to lead this church.

Our building project is about 75% completed. Being on the job every day, it's hard to clearly see the progress that we're making. I'm reminded of a comment one US pastor made at the beginning of our construction. He said, "It will take longer than you expected and cost more than for which you planned." He was right. I'm needing to raise some more funds to see it to the end, and trusting that with the Lord will provide.

Though our children are grown, living in the States and building their lives, Leslie and I are super content here in Spain doing what God has called us to do.

Thank you again for your interest in our ministry. For more pictures and video, follow Belasco Team to Spain on facebook.
