MINISTRIES

Dear Pastor and Church Members.

Three months down and three more to go! This furlough has been one of constant movement and frequent blessings.

We've had many encouraging meetings with churches across the county and have encountered some incredible people along the way. However, I will say, watching our daughter graduate as a medical doctor from Texas Tech school of medicine has been hands down the highlight of our time here in America. Visiting family, reporting to churches and studying church growth has us running hard.

If I were ever to use the term, "I'm in a good place right now" It could very well refer to me being physically situated between my two namesakes. In the middle picture, Arnold Jr has promised me he will retire on his 80th birthday and Arnold IV is proving to be a faithful husband, father and church member. He has entered his 7th year as a Marine and advancing well as a civilian mechanic at the naval air station in Pensacola FL.

Back home in Spain the church (Iglesia Bautista Biblica de Torrente) is pressing on and doing a great job. Over the last couple of months, in our absence, we continue to see souls being saved, new visitors every Sunday and people ready to serve the Lord. In the next couple of weeks, they will begin VBS and for the first time they will do it all without Leslie and me. PTL!

If you're a praying part of our ministry you'll be encouraged to know that through your prayers, God has recently provided for one of our urgent needs. We are experiencing a season of growth at IBBT and in need of more chairs. And just like that, the Lord worked through a generous church in El Paso giving us 250 chairs they were no longer using. This blessing is currently crossing the Atlantic Ocean and will arrive at the port of Valencia Aug. 25th.

Thank you for your gifts and prayers,

Arnold and Leslie Belasco
