MINISTRIES

Dear Pastor and Church Members.

I pray this letter finds you well and rejoicing in the newness of life. There is nothing that can be compared to, how that God, through salvation, makes all things new. And there is also no comparison to the richness of God’s blessings as you faithfully prepare for growth.

Ferney, his wife, Rosi, and their teenage son began attending our church at the end of 2021. Their house was anything but in order. They asked to meet with my wife and me to explain their marital struggles, but the part they left out was, “so you can validate the divorce we are about to initiate.” It was a classic case of — “we’ve set our house on fire and now we’re getting ready to call the fire department to come save us and our home.” Well, God did what He does and jumped into the middle of all that mess and made all things new. Praise the Lord for the salvation of Rosi in December. Praise the Lord for the salvation of Ferney two weeks ago. And to God be the Glory for their marriage that He has rescued.

Rosi and Ferney

In a variety of areas, we are, by faith, making way for future growth here at IBBT. As the Gritts family begins thinking about their departure from our ministry to plant their first church, we are anticipating the soon arrival of the Zuñiga family from Peru. Fluent in Arabic, Renzo Zuñiga will be based out of IBBT with a calling to reach the Muslim people of our area. We are looking forward to expanding our mission to reach the world with the Gospel by welcoming church planters from both India and Egypt. While there are several other areas in which we are forward thinking, there is room here for one more. Over the past year we have been in transitioning from what was the former youth group to what will be the new group. There have been two young adult couples and other helpers motivated and now mobilized to lead this new group in their spiritual growth.

On to the building project. At this point in time in ministry and construction, I’ve never been this busy. I’ve hired two employees besides the subcontractors. We are picking up speed in the process and will need between 35 -40 thousand dollars to finish the project well. Thank you for all that you can do to help us reach the finish line.

Allow me to end this letter by introducing you to the newest addition to our family and our very first grandchild, Ellie Renee Belasco.

May God richly bless each and every one of you.

Because He lives,

Arnold and Leslie Belasco
